

## OVERVIEW & LOCATION

Launched in 2017, Eagles Villas is a brand new resort in a unique, hilltop location amid Mediterranean gardens, next to its prestigious sister hotel, Eagles Palace. It is located only 4 km from Ouranoupolis and 110 km from the "MACEDONIA" airport of Thessaloniki.

Featuring 42 luxurious villas, from 65 to 165 square meters, with private pools and breathtaking views to the bay, they are perfect for couples and large families.

All villas are equipped with state-of-the-art private plunge pools and kitchenettes and are decorated in a soft, soothing palette that will help you relax from the first moment you arrive at the resort.
